Carriage Machine Shop, LLC • 264 Maple Avenue, Bird-in-Hand PA 17505 • 717-397-4079 ext.123

Welcome!

We're pleased to share our 4th Quarter Catalog.

We hope this finds you and your loved ones active, healthy, and embracing the beauty of autumn.

We are grateful to God for the blessings He pours into our lives each day.

Just imagine—what would we have today if we were only given what we thanked Him for yesterday?

To our customers: Thank you for your continued support and thoughtful feedback which inspires us as we strive for excellence in innovation, quality, and service.

If there's a product you'd like us to source for you, please let us know—we love bringing your ideas to life.

This year, we're including a customer survey to better understand your needs. Please take a moment to fill out the form and send it back to us. Your input helps shape the future of our products and service.

Wishing you abundant blessings,
—The CMQ Crew

About Us

A family owned and operated business since 1979, nestled in the heart of Lancaster County, Carriage Machine Shop manufactures quality equipment & supplies, while offering friendly customer service.
