MAY 2026

Pricing effective May 1, 2026

Carriage Machine Shop, LLC • 264 Maple Avenue, Bird-in-Hand PA 17505 • 717-397-4079 ext.123

Welcome!

We're excited to present our 2nd Quarter Catalog for 2026.

We thank God for His daily blessings—each one a reminder of how much we've been given.

To our customers: thank you for your trust, support, and feedback. You inspire us to keep improving. If there's a product you'd like us to source, we're always eager to help bring your ideas to life.

Blessings to you,
—The CMQ Crew

About Us

A family owned and operated business since 1979, nestled in the heart of Lancaster County, Carriage Machine Shop manufactures quality equipment & supplies, while offering friendly customer service.

Where to Find Us:

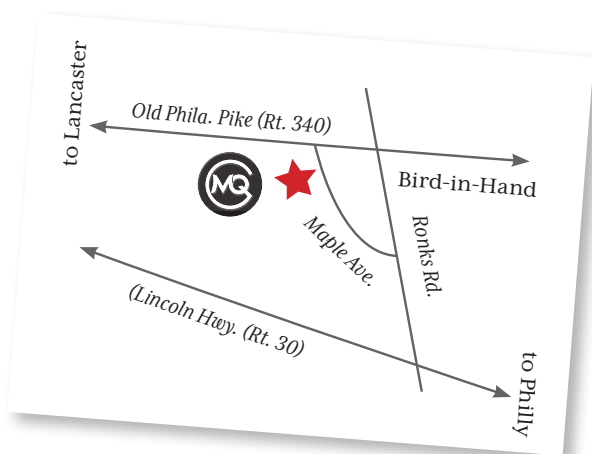

Carriage Machine Shop, LLC
264 Maple Ave.
Bird-in-Hand, PA 17505

717-397-4079

For bottles: ext. 123

For equipment: ext. 125

717-397-4085 (fax)

Our mission

is to honor and glorify our **Creator**

by fostering a **family atmosphere,**

a positive **work environment,**

and exceptional **customer service**

alongside superior, industry-shaping **products.**

CMQ Milk Equipment

As a division of Carriage Machine Shop, CMQ (Carriage Machine Equipment) offers dependable processing and packaging solutions that help small creameries thrive.

CHOOSE YOUR SHIPPING OPTION:

1 We ship freight with a **1 pallet minimum** throughout the eastern seaboard and just over the Mississippi. Damage is more likely with this method, so if you are able, do choose one of our other delivery methods.

For questions call : **717-397-4079 ext.123**

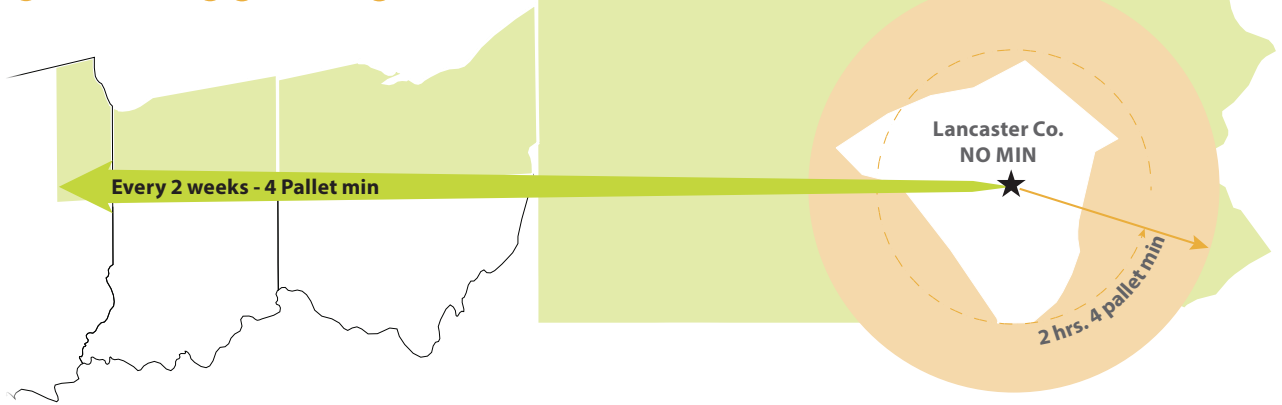

2 For Lancaster County customers, we offer a delivery service up to 8 skids. Our delivery days are Tuesdays and Fridays of every week

3 If you are within 2 hrs. of our Bird-in-Hand location you can receive a **4-12 pallet** delivery.

4 We have a route every 2 weeks with a **4 pallet minimum** through Western Pennsylvania, Ohio (Greenfield, OH & north), Northern Indiana & the Northeast corner of Illinois.

5 **Full Truckload** **Best Option!**

Terms & Conditions

RETURNS:

No returns will be accepted unless authorized by a representative of CMS LLC. Merchandise will be credited when it is in our warehouse. Return shipping costs must be prepaid. A 25% restocking fee applies to all returned or refused merchandise. No returns will be accepted after 30 days unless upon agreement. Items to be returned must be in original condition.

SHIPPING DAMAGES:

Shipping damages must be reported within 24 hours of delivery. Please keep your item and all packing materials for possible inspection. If the item returned under this clause is found to be perfect and in full working order, it will be returned to you and an administration fee of 15% of the purchase price plus the shipping cost back to you will be charged.

STORAGE

Do not store any bottles in direct sunlight as damage will occur.

TERMS:

Wholesale accounts get 1% discount when paid in 10 days, net 30. Retail customers payment is due upon receipt.

NOTICE:

Carriage Machine Shop will not be liable or responsible for any type of accident that may arise from any of our products. Use all of our products at your own risk.

Cooling Milk Storage Tanks

(Milkplan brand)

- Vertical type cylindrical tank with smooth inner walls, round corners, perfectly polished welding and adjustable feet.
- Anti-magnetic stainless steel 18/10, DIN 1.4301 (AISI 304) for both inner and outer tank.
- Agitation motor by the French company Sirem, 30 rpm with a gravity switch.
- Tecumseh, Maneurop, Copeland and Embraco cooling units.
- Special thermal insulation with ecological and high-density 45mm-thick polyurethane foam at the side walls and 100mm at the base of the tank.
- Specially-designed, laser welded & high-resistance evaporator for more efficient milk cooling.
- Stainless steel perforated cover with blinds for the protection of the cooling unit.

4076 Hand Held Filling Nozzle

- Made of food grade parts
- Less foam=less waste
- Disassemble for cleaning
- Insulated comfortable handle
- Hose and fittings available (sold separately)
- Fill out of bulk tanks with ease
- Made in USA

Alternate valves and fittings are available.

15–90 Gallon Tanks

Tanks from 15–90 gallons are mainly suitable for sheep and goat livestock units and can serve milk collection of 2 or 4 milkings.
